About your Foundations Teacher

Marie Adams is a native of Sweden and has lived in the US for more than 20 years. She is very excited about teaching the Foundations classes in her hometown of Malmö. She's an Eden Energy Medicine Advanced Practitioner (EEM-AP) and also a licensed Physical Therapist, certified Hypnotherapist and Energy Psychology Practitioner. She has been working in the health care field for almost 30 years and integrated EEM into her private practice more than 10 years ago. Marie has seen great improvements in herself and others from using EEM and she now loves sharing these amazing energy medicine techniques with her students.
