**Ellen Selover and Denise Furgason** are certified Eden Energy Medicine Practitioners and Instructors who have been teaching Eden Energy Medicine since 2004. They are also students of Edgar Cayce and trained in healing modalities at the Cayce-Reilly School of Massotherapy. They present classes, workshops and retreats that promote healing and transformation.

**Learn these techniques in a fun, supportive, small-group setting and experience more**

## Vitality, Health and Joy!

**EM101** introduces the basics of EEM and includes:

- ♦Five-minute “Daily Energy Routine”
- ♦Stress Management
- ♦Tools for Releasing Negative Emotions
- ♦How to stay Grounded and Centered
- ♦How to Remove Toxins using Reflex Points

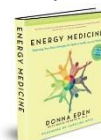

**EM102** gives you more techniques to use with yourself and others:

- ♦How to work with the Auric Field
- ♦Learn to energy-test food and supplements
- ♦Pain Management
- ♦Learn powerful energy balancing protocols to use with others
- ♦Lots of “hands-on” practice...

**Eden Energy Medicine (EEM)** is based on the methods taught by **Donna Eden**, clairvoyant since childhood, widely respected healer and pioneer in bringing Energy Medicine to the public. EEM is both a complement to traditional medical care and a complete system for self-care and self-help.
